Overview of the School 2023/24

Number of pupils and Sports Premium Grant (SPG) expected	
Total number of pupils aged 5-11 (January 2022 census)	£208
Total amount of SPG expected (£16000 + £10 per child aged 5-11)	£17810

Planned Use 2022/23

Item/project
Additional hours for teaching assistant to provide sporting opportunities at lunchtimes
Release for teaching assistant to work as 'Physical Health Champion', as part of the school's Mental Health and Wellbeing Team
Dinnington High School Sports package (organisation of events, tournaments, training etc.)
Resources
Staffing cover for PE coordinator to plan and prepare for sports day
Contribution to staffing cover to release members of staff to accompany children to sports tournaments and events
Purchase of outdoor activity trail equipment

Note: The provision of staff training has been included to ensure long-term sustainability. Additionally, resourcing (both in terms of physical resources and time allocations) will be continuously reviewed to this end.

Impact statement

The planned 2023/2024 package is designed to build on the successes of the previous year where impact has been demonstrated, in hard terms, in the following areas:

More of our children are active

- Structured activity offered at lunchtimes offering a range of opportunities for involvement
- Children have access to high quality resources, including those which will expose them to less mainstream sports they may not otherwise consider

Enhanced school profile

- Media coverage of sporting and active-community events at Greenlands
- Greenlands represented at a wide range of community and school sporting events, with dedicated staff resource

Active governing body interest

- Lead Governor for PE and Sports Premium (sports teaching professional) supporting Head Teacher and SLT in development of Grant strategy and delivery
